Composição

Composição é a organização dos elementos visuais em uma imagem.

- Sobre o que é a ilustração?
- Como trazer o expectador para o mundo da ilustração?
- O tom da história.
- Fazer o expectador sentir ao invés de contar pra ele.
- Pensar em como mostrar e o que mostrar
- Contraste em todos os aspectos.

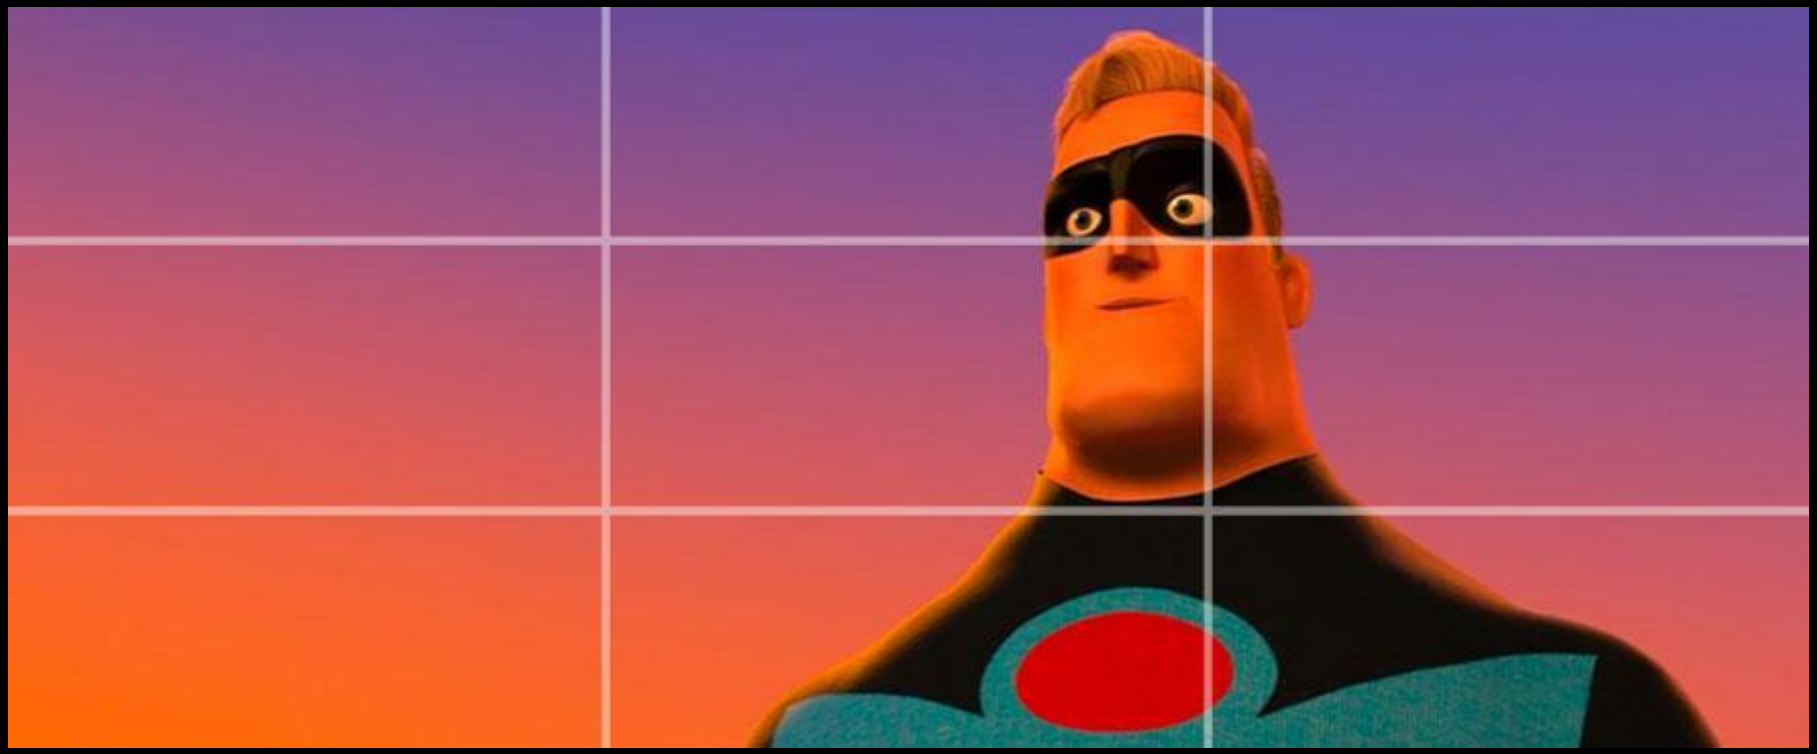
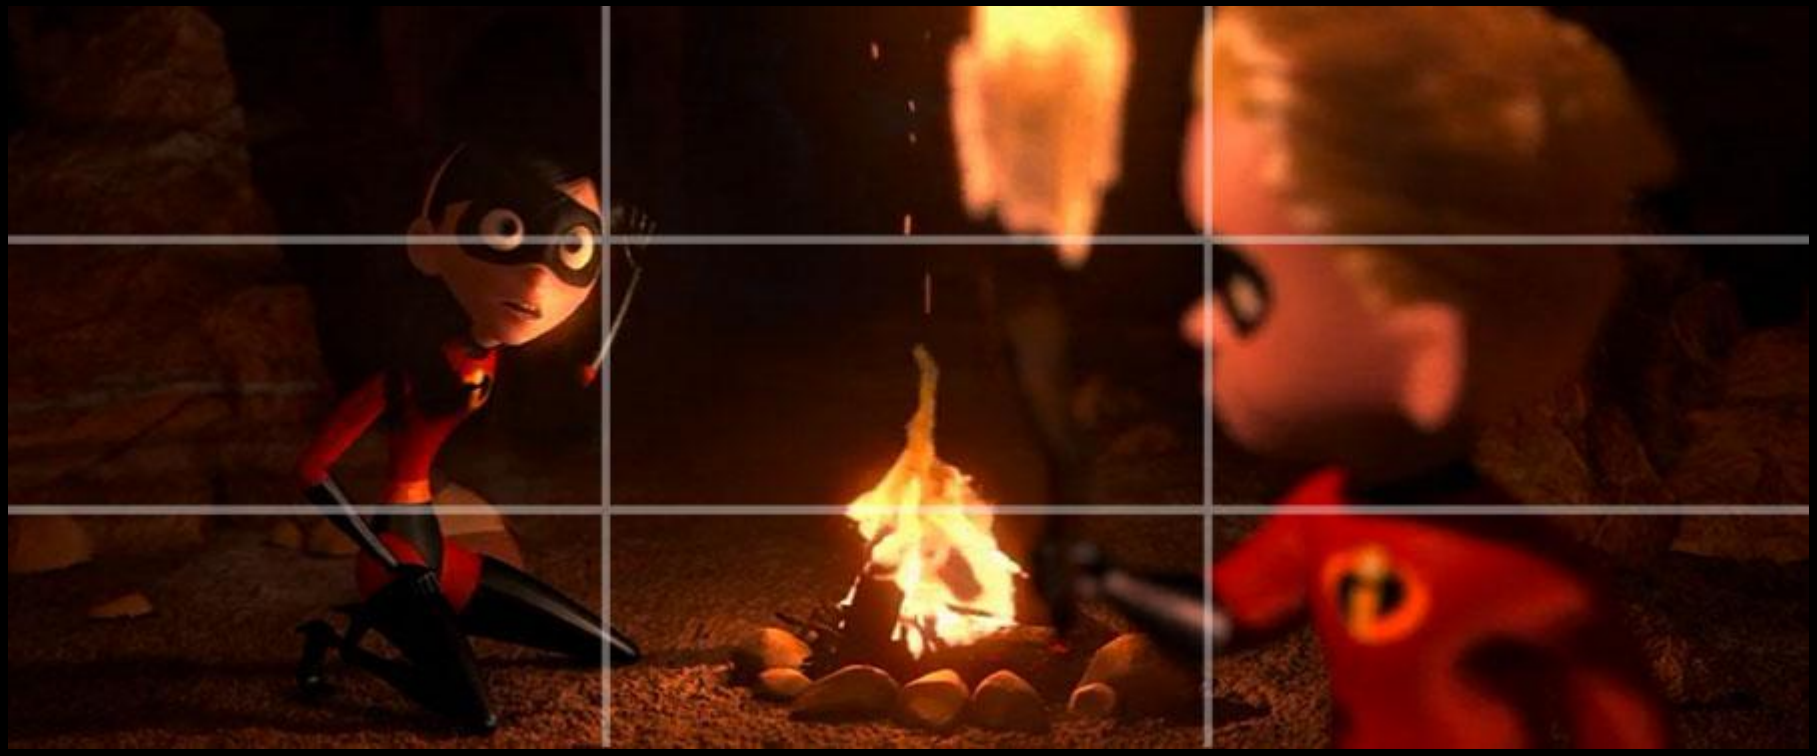
Example of Rule of Thirds in a *Rear Window* (1954).





In a Static Composition, most of the lines are horizontal and vertical.
This shot from *Hero* (2002) also illustrates a symmetric composition.

An overhead angle makes this a Dynamic Composition. Notice the predominance of diagonals on both the floor and wall. *Final Flight of the Osiris* (2003)
